

Your HPS Learning Challenges

Year group: Nursery -adverse weather planning

Time for talk, rhymes and stories	Let's get Physical!
<p>Sing, watch or listen to the rhyme Old Macdonald had a Farm. https://www.youtube.com/watch?v=EGymN-Lc87M https://www.youtube.com/watch?v=Rf8e4JF8nXs</p> <p>Read stories every day. Can you find any with farm animals in? Talk about the animals - do they have fur? How many legs do they have? I wonder what they like to eat?</p> <p>Talk to your child as you do your activities. Sing often and snuggle up some time during the day to chat about your day.</p>	<p>Go for a walk and see if you can see any animals. Move like different animals https://www.youtube.com/watch?v=26guG6wr5so&t=5s</p> <p>Can you draw a circle shape and make it into an animal?</p>  <p>https://www.drawinghowtodraw.com/stepbystepdrawinglessons/2016/07/big-guide-drawing-cute-circle-animals-easy-step-step-drawing-tutorial-kids/</p>
Count, build and make patterns	Let's get Creative!
<p>Using blocks, lego, or recycling materials make a farm for your toys. Comment on the shapes of the blocks and boxes your child uses. Challenge your child to make a home for a particular toy - can they make it fit?</p> <p>Find any animal toys in your house (teddies, small world etc) and count them. Can you put them in a line? Can you make them into a square shape? Can you make a pile? Each time you count don't forget to point to each animal and say the number.</p>	<p>Make patterns using paint - cow patterns, spotty dog patterns, stripes like a tiger. Sing and dance! https://www.youtube.com/watch?v=Cg-wnQKRHTs https://www.youtube.com/watch?v=mLOkR_IP1w0</p>  <p>Make a farm picture using all sorts of materials.</p>

Parents, please use your Tapestry account to show us the brilliant activities you do whilst at home, we love to see what your children are up to, and we will always add a comment. Please also use this to ask us any questions you may have about your child's learning. Have fun!
