

Honiton Primary School

Wednesday 11th June 2025

Dear Parents and Carers,

As part of Year 5's summer learning journey of: 'The Amazon Rainforest' we will be taking Year 5 on a school trip to The Eden Project, Cornwall! On the day, we have arranged a workshop: 'Rainforest Uncovered' where we will experience the heat, sights, sounds and smells of the tropical rainforest, we will consider how people from other places and cultures live and will seek to understand our fundamental dependency on plants. We will also use our time at the Eden Project to visit a variety of the biomes. This trip will offer an extremely exciting and fun packed learning experience for each and every child. The trip is due to take place on **Friday 4th July 2025.**

The cost of this trip will be **£26.25**. This will cover:

1. The coach hire and driver, to and from The Eden Project
2. Entry into the Eden Project
3. Private space for Honiton Primary School pupils at the location.
4. Workshop provided by experts at The Eden Project.

This trip offers good value for money and enables your children to visit a global garden, educational charity and social enterprise all in one. It will support and enrich their foundation learning in geography, PSHE, plus many more! Following a generous contribution from the wonderful PTFA, we have been able to reduce the cost of this trip to the price above per child.

The deadline for payment is Thursday 26th June. It is essential that we receive contributions from all parents in order for the trip to go ahead as the school is not in a position to cover any shortfall. If you are struggling to meet the cost of this experience, then please do contact the school office, to discuss any ways in which we may be able to help.

Timings:

Arrival: On the day of the trip, pupils will need to **arrive at school between 8:00 - 8.10am** in order that we can register them on time. We will then make our way to the coach park for a bus that will **leave at 8.20am.** It is important children are on time as we will leave promptly.

Return: We will **arrive back at school at 5:15pm** and children should be **picked up from their usual location.**

Dress prepared: pupils are to dress in their PE kit school uniform - this must be our blue PE t-shirt and we recommend bringing their PE hoodie, sunhat, sun cream as well as a waterproof coat just in case. Please check the weather forecast before sending your child to school to ensure they are adequately prepared.
