Welcoming our Year 5s in through the gate earlier

Dear Parents and Carers,

After the half-term break, our leadership team will be opening the gates - and the Year 5 teachers will be kindly opening the classroom doors - ten minutes earlier at **8:30 am** for our Year 5 pupils.

The gates will be open ten minutes earlier to allow Year 5 pupils that extra time to settle and get going on their early morning key skills such as Doodle Maths, Doodle Spell and Handwriting. This adjustment will continue into Year 6.

The registration cut-off remains unchanged at 8:50 am (in class). We ask that if pupils are arriving at the latter end of this window, they arrive in enough time to be in class and settled by 8:50 am to allow a prompt start to learning.

Best wishes,

Mr Hasler
Assistant Head Teacher
