HPS Parent Survey 2025

Dear Parents and Carers,

Each year, we ask our community of Parents and Carers to complete a short survey that should take no longer than 5 minutes.

This gathering of feedback is always very useful for us as a school and enables us to understand and celebrate successes as well as explore areas for further attention on our journey of continual improvement.

Please complete this survey by clicking on the below link:

Many thanks for your time,

Best wishes,

Mr Hasler
