

Honiton Primary School

Tuesday, 11th March 2025

Dear Parent/Carer

Further to previous correspondence from Mr Tribble, we are now at the stage of changing over our online payment provider from sQuid Payments to ParentPay.

We are still using the Weduc app. When you click on either Payments or Club Bookings in your app, you will be taken to ParentPay instead of sQuid.

We will shortly be sending out your account activation details for ParentPay - please activate your account as soon as possible. Currently there are no payments set up on ParentPay as we are having to transfer all of the details over from sQuid, but all payments will be up and running by the end of this week.

Any club bookings you have made in advance ie BASC or Mr Watson's After School Sports Clubs will be carried over to the new system, and for any payments made in advance ie for Skern Lodge your balance will be carried over.

In app meal bookings should be back up and running early next week, however, any bookings already made will stay on the system so you will not have to re-book.

Kind regards

Mrs H Teasdale
Finance Officer
