

Honiton Primary School

Tuesday, 11th February 2025

Dear Parents/Carers,

Primary Cricket Programme with Devon Cricket

On behalf of the Devon Cricket Foundation and Chance to Shine, we have been offered a 'free' Primary Cricket programme which we shall be taking up next half term.

Chris Brown is the East Devon Community Coach for Devon Cricket and will be leading these sessions with the aim to develop the children's physical cricket skills along with their general life skills of resilience, communication and teamwork.

A further aim is that some children will represent HPS at a local schools competition at Budleigh Cricket Ground in the summer term.

These 'free' sessions will take place on Tuesdays, for the 6 weeks of next half term, for all children in years 2, 3 and 4 throughout the day.

An invitation will be extended to some children in years 5 and 6 to join in a short 20 minute lunchtime session too. You will receive further confirmation of this before half term if your child has been offered this opportunity.

The sessions will take place on our school field (weather permitting); alternatively it will be a playground based session, and, to make sure that the children are able to fully participate, we would like to invite the children in years 2, 3 and 4 (and those selected from years 5 and 6) to wear their PE kits to school on a Tuesday for the next half term.

It will be essential that your child has plenty to drink in a named bottle too.

And for any children with inhalers, please make sure that these are named, in date, and in school on these days.

Thank you for your continuing support.

Mrs Ayres
