Honiton Primary School

Friday, 4th October 2024

Dear Parents / Carers,

Parent Meetings Nursery to Year 6

On Tuesday 22nd October and Thursday 24th October, we will be holding parents' meetings across the school for Nursery to Year 6. This is to enable us to:

- discuss your child as a whole
- talk over your child's learning and their progress during the current term so far.
- answer any questions or queries you may have

Please do ensure that you have updated the office with any changes to telephone numbers.

Tuesday 22nd October appointments will be **via telephone**
Thursday 24th October appointments will be in person **in classrooms**

Appointments can be booked via our online booking system. By the close of Monday 7th October, you will receive an email inviting you to click on the link and book your appointment. Please contact the office if you have any problems or have not received an invitation email by Tuesday 8th October.

We are looking forward to sharing your child's learning achievements with you. Teachers will discuss the main areas with you during the meeting in four broad stages:

1. Your child's attitude to learning and school life in general
2. Your child's current attainment and progress so far this year
3. Your child's home learning
4. Home support: the ways that you can help your child at home, to make the best possible progress when they are in school

Appointment lengths are once again kept to a workable 10 minutes to allow teachers to see as many parents as possible, so we do politely ask you to try to ensure that you do not take more time than this. Teachers may need to arrange additional time with you the following week if there is anything further to discuss.

We hope that we all find these meetings helpful - school and parents all working for the best outcomes, together.

Many thanks,

Mr Hasler
Assistant Head Teacher
